

PRINTMAKING COUNCIL OF NEW JERSEY

Girl Scout Course Description 2010-2011

Please Note: All programs require a minimum of 8 girls and can accommodate a maximum of 15 girls. Workshops are taught at our location or we can travel to yours. An additional travel fee will be added to all off-site locations.

FOR BROWNIES

Colors and Shapes - Participants will learn how to use complimentary colors in their art to create great results. Girls will make a woven mat using their color scheme and will then print onto their mat with painted yarn. The girls will also design their own unique stamp to print on a greeting card.

2 hr program

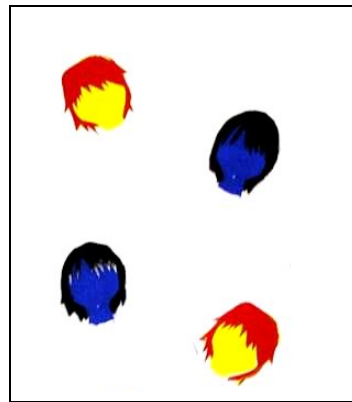

\$ 20.00 per scout

WEAR OLD CLOTHES

Art to Wear - This introductory silkscreen class will allow students to design an image from their imaginations onto their very own art apron. Girls will create a stencil that will be silkscreened and then made even more unique with paint pens.

CHILD'S SIZE APRON INCLUDED.

2 hr program \$ 25.00 per scout WEAR OLD CLOTHES

FOR JUNIORS

Drawing and Painting - This workshop will explore a series of art-based exercises that will be used to stimulate creativity. Girls will use various painting and collage techniques to make paper that will be bound into a four page book. Books will be personalized with drawing and text.

3hr program

\$25.00 per scout

WEAR OLD CLOTHES

Prints and Graphics - Girls will explore painting as a tool to express their unique and personal artistic vision in a monotype print. They will then add depth to their image using stencils and a variety of textural elements.

3hr program

\$25.00 per scout

WEAR OLD CLOTHES

Camera Shots - Explore your surroundings while participating in a scavenger hunt for specific photo shots. Girls will learn various framing and shooting techniques while learning how to use a digital camera. A collage and greeting card will be generated from your interesting photographs. Bring your own digital camera, or use one of ours.

3hr program

\$30.00 per scout

FOR SENIORS

Artistic Crafts - Join us in making a beautiful marbled print, a card and a silk scarf. **Marbling** is a method of unique surface design which can produce a one-of-a-kind pattern. A drop of color in plain water is repeated until the surface of the water is covered with concentric rings. The floating colors are then carefully manipulated and lifted from the surface as it is 'printed' onto paper or silk.

3 hr program

\$25.00 per scout

WEAR OLD CLOTHES

Graphic Communications – Girls will create a powerful visual statement by silkscreening a t-shirt. Explore how to use your personal interests and experiences as inspiration for a unique graphic design that is transferred onto a screen and printed on a shirt.

BRING YOUR OWN WHITE OR LIGHT COLORED T-SHIRT.

3 hr program

\$25.00 per scout

WEAR OLD CLOTHES

Paper Works - This workshop teaches girls how to reuse unwanted paper to create an exciting new piece of art. Learn how to mold, press, add pigment and stencil your own sheets of paper. Bring home at least two new pieces of paper created from pulp.

3 hr program

\$25.00 per scout

WEAR OLD CLOTHES

Photography – Learn how to distill your photographs into their most contrasting and graphic elements. Girls will take a series of photographs and will compare and contrast the visual impact a black and white shot has in comparison to a colored photograph. Mat your best image to take home. Bring your own digital camera, or use one of ours.

3hr program

\$30.00 per scout

Dress for the Weather, we will be outside

Visual Arts - Girls will learn two of the most popular and versatile book structures: the soft cover pamphlet and the accordion book. We will then make paste paper to create strong covers for the books.
